# ACTUAL COST TO EDUCATE A CHILD

---

## TUITION VS ACTUAL COST TO EDUCATE

	<u>Tuition</u>	<u>Cost to Educate</u>	<u>Parish Grant Amount</u>
1 Child:	\$5,200	\$6,357	\$1,157
2 Children:	\$7,615	\$12,714	\$5,099
3 or more Children:	\$8,215	\$19,071	\$10,856

As you know every family receives a grant from the Parish because the cost to educate versus the tuition rate does not cover all our expenses. These numbers are based upon 2017/2018 budget & enrollment. Any voluntary charitable contribution to the school over and above the tuition may be tax deductible and may be eligible for employers' matching gifts programs. We will contribute all funds collected directly to our Francis Fund (please consult your tax professional regarding the tax deductibility).

IF YOU WISH TO HELP DEFRAY THE TUITION DEFICIT,  
PLEASE COMPLETE AND RETURN BOTTOM FORM.

## FRANCIS FUND DONATION

We understand that the projected tuition deficit of St. Francis of Assisi School given the expected cost to educate is \$6,357 per child. We also understand that any voluntary charitable contribution over and above tuition is tax deductible.

Therefore, we have enclosed a charitable contribution that we would like to contribute to The Francis Fund (please make checks payable to St. Francis of Assisi) in the amount of:
