

FINANCIAL SERVICES

CREDIT CARD PROCESSING DEVICES

Through the Archdiocese Finance Office we do have the ability to use credit card processing devices. These are designed to be attached to an iPad (furnished by SFA School). These can make it easier if you're hosting an event that requires purchases of any sort. We've used these for Fish Frys, Parish Picnic, and other events.

In order to reserve one or more of these devices please contact the Director of Operations and Finance. Please give 3 weeks' notice for reserving and arranging for these devices.

ONLINE PAYMENT OPTION

Online payment for some events is available through the parish. Please contact the Director of Operations and Finance as soon as possible for assistance.
