

FLEXIBLE KINDERGARTEN SCHEDULE

Our Kindergarten schedule is unique in that it flexes to meet the needs of families. Most families send their Kindergarten student all day every day. However, there is a flexible early release option on Mondays and/or Fridays at 11:55 for those families who would like to have that special afternoon with their child for one last year before they enter into the first grade. There is no change in tuition amounts. Please understand that learning continues on those afternoons, so your child will be missing that learning. If the teacher feels that it is in the child's educational best interest to attend during those afternoons, she will address that with you.

Please indicate your wish below to have full day Kindergarten all day, every school day for your child or one of the other options that are listed below. Your child's schedule may change **at the end of the quarter** if your family needs change or as you are transitioning them into the first grade schedule of being here all day. Please understand that for planning purposes, we can't have students switching back and forth between full days and half days. Please make your decision for a quarter unless you've discussed a special need with the teacher that leads to a change at another time.

Child's Name (printed) _____

_____ I would like my child to attend Kindergarten following the normal day school schedule.

Early release options:

_____ I would like to pick up my child at 11:55 on Mondays and Fridays.

_____ I would like to pick up my child at 11:55 on Mondays only.

_____ I would like to pick up my child at 11:55 on Fridays only.

Parent Signature: _____

Once you choose your option, barring an urgent need, you need to stick with your option until the end of the quarter. If you are changing options, please notify the Kindergarten teacher prior to the end of the quarter.
