

***St. Francis of Assisi School***  
***Fourth Grade Summer Reading***

In order to encourage reading over the summer months, below is a list of great books to check out at the local library. This is not a required list but rather just suggestions that are appropriate for this level. The most important thing is to **READ!** This can include magazines, newspapers, fact or fiction!

The reading series we will be using this coming year will include stories that are fiction, non-fiction, biography, legend, poetry, myth, historical, and much more. Reading a variety of these types of literature helps to develop great reading skills so try one of each!
