Call to Order-Prayer-

Opening Comments from President

- Thank Fr. Pollman for the last few years of service to our organization
 - Fr. Pollman has been a terrific advocate and liaison for the SFAAA
 - Helped me deal with many issues over the last 2 years
 - I have really grown spiritually from my dealings with him
- Fr. Pollman please say a few words
 - The amount of growth he has seen our organization has been amazing
 - He was blessed to have an opportunity to work with us and has made some lifelong friends
 - Stressed that he was truly a representative of the parish and was present in our meetings because Fr. Yates wanted to make sure we were representative
 - Request for continued prayers for him and his ongoing mission
 - Always remember that everything we do is for the greater glory of God
- Welcome Fr. Staley
